

TEEN MISSION APPLICATION FOR ASSISTANCE

TEEN MISSION is a group of teen and adult volunteers who do their best to bring assistance to their neighbors and community. We are willing to do minor repairs, clean up and very light construction. Most of our volunteers are unskilled and directed by *skilled, but mostly unlicensed, adult volunteers*. Any work requested must be requested or approved by the homeowner and All must agree to the terms listed. We request applications to be submitted by June 30th 2021. We will take applications after this time. Due to budget and time restraints we may not be able to meet every need requested of the applicant and or every application we receive.

All applications submitted will be reviewed to see if TEEN MISSION has funds and or the skills to accomplish the task. Sites will be reviewed for any Safety and Health concerns, such as mold. There will be ***no charge for labor or supplies to those in need***. These efforts are culminated **the week of TEEN MISSION Jasper County, August 1st-7th, 2020**. Unfortunately, we cannot handle needs outside this week, but hopefully others will continue what TMJC has started. You will be contacted for an interview. Once all has proceeded without hindrance, your project will be addressed during the TMJC week (unless you are contacted otherwise). The week is rather variable, so we ask that you be ready for us on Monday through Friday.
