

TEEN MISSION APPLICATION FOR ASSISTANCE 2024

TEEN MISSION is a group of teen and adult volunteers who do our best to bring assistance to our neighbors and community. We are willing to do minor repairs, very light construction, some landscaping and cleaning. Most of our volunteers are unskilled, directed by *skilled but mostly unlicensed adult volunteers*. Any work requested must be done so or approved by the homeowner and All must agree to the terms listed. We request applications to be submitted by June 15, 2024; if your project is larger (i.e., wheelchair ramp), please send it earlier. Due to budget and time restraints, we may not be able to meet every need requested of the applicant and/or every application we receive.

All applications submitted will be reviewed to assess TEEN MISSION funds and/or skills to accomplish the task. Sites will be reviewed for any safety and health concerns. There will be no charge for labor or supplies to those we are able to help. These efforts are culminated **the week of TEEN MISSION Jasper County, July 28- August 3, 2024.** (Unfortunately, we cannot handle needs outside this week.)

You will be contacted for an interview. Once all has proceeded without hindrance, your project will be addressed during TMJC week unless you are contacted otherwise. The week is rather variable, so we ask that you be ready for us Monday through Friday.
